Mercy Hub

Mission Spirituality and Action

ISM PNG acknowledges the history, culture and diversity of indigenous peoples, and pays respect to their elders past and present, as well as future generations. We provide a safe, welcoming and inclusive environment for all diversity groups.

The beauty of everyday ...

**To find *mercy* each day in our own hearts... and in the
stranger, the friend and all of creation.**

The mask! Go on smell the roses!

OUR STORY.....

The Mercy Mission Hub is an initiative of the Sisters of Mercy. Our vision for the Mercy Hub is guided by the Institute of Sisters of Mercy of Australia and Papua New Guinea.

- Global vulnerability – suffering of many peoples.
- Reverence for all creation – degradation of earth.
- New and changing needs in the local community
- Reflective action - based on Gospel justice.

Mercy Hub is a place of welcome and hospitality.

WHAT WE DO

Since the opening of the Hub in April 2016, we have built connections with a range of local community groups - St Vincent's Health, local schools, CLAN groups, Indigenous Hospitality House, Kinfolk and Sibling social enterprise cafes.

This **Rotary group** has been our key support since we opened our doors and we are so grateful for the many levels of your support and practical assistance.

The activities of the Hub continue to evolve through a growing range of activities

- Young adult leadership,
- Justice evenings and events -Young Mercy Links
 - Music – video workshops
 - Art workshops and Exhibitions
- Adult literacy education for refugee and migrant women
 - Sustainability and education - schools
 - Outreach within local community

Mercy

May you meet mercy each day:
in the light of your own heart,
in the hands of your loved ones,
in the eyes of the stranger and the needy.
And if by chance you do not at first meet it
then search your heart for it,
and it will tap you on the shoulder,
a quiet surprise, a small gesture, the tender look,
given and received
in the encounters of your day.
